Searching campus reports

Hi! I'm here to help find your bookbag. Can you tell me what color it is?

It's black with a small keychain on the front pocket.

Got it — a black bookbag with a distinctive keychain. Where did you last have it?

Near the library, maybe two days ago.

Thanks! I scanned recent found-item reports near the Library from the last few days — here's what looks promising:

Black backpack

This looks like mine

Not mine

Verify it's yours

This step keeps items safe — only the real owner can confirm a match.

DESCRIBE ONE UNIQUE DETAIL

e.g., there's a keychain clipped to the front pocket

- [x] I can describe a unique detail about it
- [x] I reported this item before it was found
- [ ] I'm ready to meet at a safe campus location

Confirm & arrange pickup

A staff member may review this before the handoff.

It's back where it belongs!

Your navy backpack has been marked as returned. Thanks for helping keep campus lost & found honest.
